

PLACEMENT PROGRAMME 2020

**The future is here
Get ready to make a difference**

OVERVIEW

PLACEMENT 2020

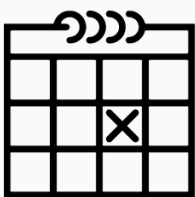

Our Pre-U1 - IB students, will once again be participating in a week's placement in industry to experience the world of work.

WHY SHOULD STUDENTS GO ON A PLACEMENT?

To gain experience and to learn to make choices. Successful professional development depends greatly on experience. Experience is what sets you apart from other candidates when applying for a job.

Because of this, we are offering students in Pre-U the opportunity to make a difference by undertaking a week long placement in an enterprise. It will be the first time they experience the real enterprise environment, the first step in exploring the world of business to start building their future.

HOW LONG IS THE PROGRAMME?

60 hours
