## 20 FREQUENTLY ASKED QUESTIONS ABOUT AFTER-SCHOOL ACTIVITIES

### WHEN

#### 1. When do the after-school activities start?

After-school activities start on the 19th of September. You can check the [after-school year calendar](#).

#### 2. Between what times do the after-school activities run?

Our students from Y6 to Y12 will enjoy after-school activities from 16h to 17.00h.  
Students from Foundation to Year 5 will enjoy after-school activities from 16.30h to 18.00h.

#### 3. Why Foundation and Primary students do 1.30 h of after-school activities?

Foundation and Primary students will have between 15 min and 30 min before starting the Afterschool Activity to get changed and have a snack from home, always supervised by the after-school teachers.

#### 4. Is there any chance to do a trial day?

Open Days will be held from 19<sup>th</sup> to 22<sup>nd</sup> September. Registration needed. Families must fill out [this form](#) and send it to [afterschool@stpeters.es](mailto:afterschool@stpeters.es)

#### 5. After the trial day, it is too late to enrol my kid?

After the trial day, you can enrol your kid in the activity as long as there are available places.

### ENROLMENT

#### 6. Which is the enrolment deadline to register for an after-school activity?

The enrolment period started in July. In September, online enrolment open again only for those activities with available places. As places are limited, we suggest you register your child as soon as possible through [our website](#).

#### 7. Is it possible to register my child for a month, instead of a full term?

Afterschool activities are offered on a termly or semester basis. For organisational reasons, unfortunately, it is not possible to register for less than one term.

#### 8. It is possible to register my child only one day in a 2-day activity?

Between the wide offer, there are some 1-day activities like Chess, Art, Robotics, Spanish, etc. However, some other activities are designed as a 2-day activity because they require training, commitment and competition. Depending on the activity, we can study the case: your kid could come only one day but paying full price.

## **PAYMENT**

### **9. Why is it that we pay the same price for a long term (13 weeks) as for a short term (10 weeks)?**

The price is based on a yearly calculation, which is invoiced in three or two equal instalments (by terms or by semester)

### **10. What are the payment methods available?**

The after-school activities payment can be made by:

- Direct bank debit – It will be charged in October, January and April.

## ABOUT THE ACTIVITIES

### 13. Will the activities be delivered in English or Spanish?

Although our main language is English, some of the after-school activities are delivered in Spanish. As we are working with other organisations to offer more activities, it would depend on the teacher.

### 14. Will all the after-school activities take place in the school?

All our activities in our programme will take place in the school with the exception of Trail Running, an activity for secondary students that starts and finishes at the school in which students will be discovering routes and paths in Collserola Natural Park.

### 15. Is there a minimum and maximum of students per activity?

Yes, we require a minimum of 6 students and a maximum of 15 (depending on the activity, even less).

### 16. Do students have to bring any specific equipment?

Yes, check the specific material required for every activity in the following link. Also, students can bring their water bottle and their own daily snack. Shortly, we will have the school equipment available to buy at the reception.

### 17. What is the daily procedure?

At the end of the day, instructors and teachers will pick up the children from the Gym/Playground to go where the afterschool activity takes place. Foundation and Primary students will have time to get changed and have a snack before starting. Secondary and Diploma students come to the activity by their own.

### 18. Is there a cancellation policy?

By registering your child for afterschool activities, you accept the school's registration, cancellation and change policy.

The renewal is automatic at the end of each term or semester. Any changes or unenrollments must be requested within the time interval (end of term or semester) shown below and must be communicated by email to [afterschool@stpeters.es](mailto:afterschool@stpeters.es)
